## America's Best Warm-Weather Resorts

Heat up your winter vacation at one of these top warm-weather hotels.

From [November 2010](#) By [Donna Heiderstadt](#), [Travel + Leisure Staff](#)

The property is just one of America's leading warm-weather resorts singled out by *Travel + Leisure* readers in the [World's Best Awards](#). And as the mercury begins to plummet, what better time to highlight hotels where the average winter highs climb to 65 degrees or more? The winning resorts are located mostly in sun-drenched states like [Arizona](#), [Hawaii](#), [Florida](#), and [California](#), of course, but a few under-the-radar locales made it as well.

What makes a resort worthy of being called World's Best? That would be the perfect combination of location, service, décor, and value. So dig out your sunglasses and swimsuits and dive into our list to find your ideal winter getaway.

1. San Ysidro Ranch, San Ysidro CA
